

## The Heart of Leadership: Officer Leadership Training

All state officers are planning an Officer Training on April 13 to be presented at the Prescott Resort and Conference Center. For the president's training, be ready to start the training at 9:30 am and finish by 3:00 pm.

For other officers, come to the luncheon on April 13 at 11:45 and continue training to 3:00 pm. The luncheon speaker will be Pat Park, Southwest Regional Director.

Presidents will learn about leadership and leading successfully. We will have technology for chapter presidents, communications with members and international, and parliamentary for presidents as well as other topics.

Please register for the convention and for the workshop on the convention registration form by selecting Friday Officer Training Lunch (by invitation) for \$22.00. All officers will learn about the important parts of their jobs. We hope to see all chapter officers on April 13!
