Dear Dr. Sterrett,

It is our pleasure to notify you that Jessica Howell of AZ's Nu chapter has received a Cornetet Individual Professional Development Award in the amount of \$2000. She plans to use her award to attend a Non-degree seeking program to obtain Principal Certification. We are pleased that a member from your state has received assistance to enhance her professional expertise.

Please help us encourage all educators, members and non-members, who need professional development assistance to check the Foundation website for the Cornetet Individual Professional Development Award information and application. Encourage them to apply as did Jessica. We have included her contact information below hoping you will want to congratulate her personally and possibly recognize her at state convention.

Sincerely,

Karen N. Duke, Chair
