

# DELTA KAPPA GAMMA

SOCIETY INTERNATIONAL FOR KEY WOMEN EDUCATORS

## ETA CHAPTER

Dear DKG sisters!

Here we are at the beginning of our school year and the first meeting of DKG. Our summer has been active with a number of things. In May we honored several of our members for their longevity. Ora Beth Cesarini was the only one not able to attend, but I was able to deliver her plaque and a rose to her home. She was most appreciative. Norma Bauer had her treasurer's meeting on July 23<sup>rd</sup> at her home to devise the budget for 2018/2019. Besides myself and Norma there

were 3 others: Carol Stafford, Janeth Dow, and Ellen Close. We thank all who came – even from a distance. And we particularly appreciate Norma who has been doing this function for quite a few years. Then on Saturday, July 28<sup>th</sup>, we had our celebration of life for Wally Turner at her Sedona home. There were quite a few from Prescott, Flagstaff, and Phoenix in attendance. The remembrances were so well done including Linda Spellman's memorial book. It truly was a very special time for a very special lady.

Now our initial meeting is at a different time than what we are accustomed. Due to scheduling problems, we could not use the Community Center at StoneRidge nor could we schedule on our normal Saturday time slot. Donna Stowell was a great 'go-to' person to get us into the POA room at Prescott Country Club. It will be held on Sunday, August 19<sup>th</sup> at 2 p.m. The refreshments will be provided by the Finance/Arts and Music Committees. I am very excited to have Courtney Osterfelt, director and founder of The Launch Pad, to be our speaker. Courtney was written up in the August/September 2017 issue of the **Prescott Woman** magazine and does amazing things for our teens. I know her presentation will be inspiring for our organization.

Joyce Moore, incoming DKG President

### INSTALLMENT PLAN FOR DUES PAYMENT by Norma Bauer, Treasurer

An "installment plan" for dues payment is available. Any member who wishes to pay dues for 2018-2019 in increments rather than all at once may begin at any time with the total due no later than October 31. If no increase is made by DKG International or suggested by Eta's finance committee, dues would remain at \$81 for active members.

**TAYLOR HICKS WORK DAY: Wed., Sept. 19**

**Delta Kappa Gamma, Eta Chapter**  
**May 5, 2018 at the home of Wally Turner**  
**Program: MATFORCE; Committee, Educational Excellence**

**Present:** Sherry Alimi-Kent, Norma Bauer, Linda Cramer, Janeth Dow, Dorothy Eichbaum, Mary Fiebiger, Marilyn Jenkins, Helen McDowell, Joyce Moore, Barbara Scott, Mary Shenefield Linda Spellman, Donna Stowell, Wally Turner, and Veronica Wilson.

**Program:** Sherry A. introduced Nikki Rosson from MATFORCE (Meth Amphetamines Task Force). The organization has expanded to all drugs and alcohol, working to raise awareness on substance abuse and drug prevention in Yavapai County. Nikki, who is the Executive Assistant, does marketing and communications, conference planning, parenting education facilitator, drug prevention education in the schools (48,212 students have been reached), etc. Her organization has 8 full time and 5 part time employees along with 200 active volunteers in the county. There has been 28,000 pounds of drugs collected in 12 drop-off locations since 2009. Their board of directors include Sheila Polk, Yavapai County Attorney; Doug Bartosh; and Tim Carter, Yavapai County Superintendent. The Executive Director is Marilee Fowler.

There is a K-8 curriculum on drug education for teachers. MAT FORCE reaches the high school level through assemblies as well as on-line curriculum. The intent is to fill the gap on drug education which includes art and video contests. MATFORCE offers support for recovery through community coaching for those who were incarcerated. This is helping to bring down the recidivism rate to less than 10%. Nikki pointed out that mixing drugs (like marijuana and alcohol) increases the effects of both. Additionally, MATFORCE has been instrumental in changing hospital policy on opioids from a potential 30 days' supply to a 7 day supply. This coalition is funded through state, federal and foundation grants.

**Business Meeting:**

1. Mary started the meeting with the Mission Statement after which the minutes were approved. The Treasurer's Report had not been sent out but we learned the Convention Boutique raised \$580 + \$40 donation + \$100 for guest accommodations in Sherry A's home. We sang a rousing "Happy Birthday" to Norma. Mary gave a heartfelt 'thank you' to all who helped her with her presidency and State Convention during the time of her hospitalization.

Then we honored 3 members for their longevity:

- a. Mary Shenefield for 25 years, received a 25 year pin.
- b. Dorothy Eichbaum for 40 years, received an Eta pin guard
- c. Veronica Wilson for 60 years, received a pendant.

All three of these members were given a certificate and a rose. Ora Beth Cesarini (45 years) will be honored at her home since she was unable to attend. This is scheduled for May 20<sup>th</sup>.

2. **Convention News:** The Hospitality Room was quite a success because it was a larger venue, relaxing, and staffed with wonderful volunteers who provided a variety of refreshments. Thank you to all.

A new basket will be the Valentines' Day Basket with the drawing to be held February 5<sup>th</sup>. The raffle tickets were approved to be sold at \$2/ticket or \$5/3tickets.

3. **Yearbook:** All members need to review their personal information for Sherry Baca. Members will be on the same committees unless they notify Sherry B. otherwise. It is requested that committee chairs let people know well in advance of refreshment needs.
4. **Executive Board** (tentative) meeting is set for June 21, Thursday at 9 a.m. This meeting will be held if there is a need to confirm our meetings/programs for next year.

The meeting was closed with the DKG Song.  
Respectfully submitted, Joyce Moore, Secretary

**ETA CHAPTER SUMMARIES**  
by Dorothy Eichbaum and Sherry Baca

**JOYCE MOORE:** Her summer activities included having 2 of her grands as over-night campers at Friendly Pines where she works in the sewing room and has each summer since 2012. They also went to Santa Fe for a cousin's reunion and shopped in the Old Town area. Very fun. Her daughter Hilery is stationed at Bagram AFB in Afghanistan until the end of October. Blessings and comfort to all our troops and personnel in foreign countries.

**HELEN MCDOWELL:** She will be starting a new position with the Arizona State Schools for the Deaf and Blind as an Early Childhood Teacher for the Early Childhood and Family Education Program. She is very excited about this new position even though it means she will work a longer year. This summer their family enjoyed a week long cruise to Alaska, enjoying stops in Ketchikan, the Tracy Arm Fjord, Juneau, Skagway, and Victoria, BC. A highlight of the trip for them was the excursion to a musher's camp and dog sledding. Below she sent a couple of pictures.

**BARBARA SCOTT:** She is still active in the Skull Valley Historical Society and remains a loyal volunteer with this group. She also volunteers weekly at Saint Vincent de Paul. This summer she went to Algodones, Mexico with her sister who had a dental appointment there - she reports it was beastly hot. She spent two days at the Arizona Grand Hotel in Tempe with her son and family celebrating her granddaughter's 8th birthday. The hotel has a water park. The family also went to Legoland Discovery Center and Sealife.

**PAT BUCKLEY:** Things are going better for her husband. He had a liver transplant at the end of February and is finally doing well. He is even driving again. She thanks you for all the prayers and support ETA has given her and can't wait to see everyone again.

**SHERRY ALIMI-KENT:** Sherry and Steve traveled to Peru to attend a wedding of her former student in Cuzco. They hiked Macchu Picchu, the Sacred Valley and other sites near Cuzco. Then they spent 10 days in Lima. Two of those days they traveled south to Paracas to visit the "poor man's Galapago Islands" and to Nazca where they boarded a 6 passenger plane and saw the Nazca Lines, a bucket list item. Also, they drove to Austin to spend time with Steve's son and put in irrigation at his new home. They will go to Illinois in September for a couple of weeks to attend Sherry's 50th high school reunion, spend a week at a luxury condo on Lake Michigan and see the grandkids.

**BONNIE WATERER:** They have put off travels for a few months because they have been busy moving this summer. They have their house up for sale and are now living in a Las Fuentes senior apartment. They really like it there and know lots of people who live there like Marilyn Jenkins who Bonnie sees often now. Earlier this month their son and husband and doggie drove over from LA to visit them for a few days. They went over to Sedona with them and they really enjoyed that.

**MARY FIEBIGER:** She didn't have a very eventful summer for travel etc., but did finally get to start her cardiac rehab. Removing the fluid from her left lung made all the difference in the world. It was a pleasant surprise when she realized one of her therapists is Dorothy Kellerman's daughter-in-law, Karen. She goes Monday, Wednesday, and Friday at Yavapai West. It should be completed by mid-September. She has slowly started doing her volunteer work with St. Vincent de Paul and is looking forward to seeing everyone on the 19th.

**LINDA SPELLMAN:** She is finishing up her book with lots of great help. Thanks! Continuing blood pressure and respiratory problems - two doctors and her PA say she needs to destress and unclutter her life. Basically, she is supposed to back out of groups or family situations that require her to follow through on a time schedule. She can read the book for the book club, but can't commit to being a hostess or going out if tired. Her PA will be checking her calendar and talking with Phil to make sure she follows through about not following through. That's not been her style (as we all know), but scary things lately have her willing to comply. She says Hi to all...but is not sure when she'll see you next.

**LINDA CRAMER:** She and Wayne took their teenage granddaughter to San Diego for a week. She is from Omaha, so the beach was a major attraction. They also visited the zoo, Sea World, Balboa Park and a fascinating exhibit in the Museum of Man about cannibalism (no recipes included).

**PAM DICKERSON:** She traveled to Port Angeles in Washington state with her sister Shawn, Shawn's daughters, Monique and Jacqueline, and Pam's niece, Jessica. They stayed at the Red Lion Hotel with a gorgeous view and got to see canoe races - had a wonderful time. She provided a couple pictures below:

Pam Dickerson in the center with her relatives. From left to right: Pam's sister Shawn, Shawn's daughter Monique, Pam's niece Jessica, and Shawn's daughter Jacqueline

**SHERRY BACA:** She and Ed traveled to Washington to see their oldest daughter and got to visit Mount St. Helen's. On the way back they traveled the Pacific Coast highway with gorgeous views of the ocean, the rocky coast and the redwoods. They did travel over the Golden Gate Bridge in San Francisco on their way to Yosemite, but hated the horrible traffic jams in the city. On the way home they traveled the Tioga Pass road through Yosemite and down the east side of the mountains through Death Valley. In July they went to Colorado to see their youngest daughter and help her with some home renovation projects. They visited relatives on the way up and back but also got to tour a castle, Taos, Los Alamos, as well as several museums and pueblos in New Mexico. They just returned from a week long camping trip in the White Mountains with the grandkids. See photos below.

**CHRIS FONOTI:** In June she went to Oregon to see her sister and family including her niece and 1 year old great niece, Kyla. Chris had her hair cut while she was up there. Over Labor Day she is going to Maine for a week to spend time with the other 7 people in her Bates College class who climbed Mt. Katahdin in 2016. This was a 3-day hike a few days before their 50th reunion. They are having a mini-reunion at the mountain and all 8 of the climbers will be there. Mt. Katahdin is the highest mountain in the state of Maine and is at the end of the Appalachian Trail.

**GEORGIA DAVIDSON:** Please keep Georgia and family in your prayers. Her husband, Mike, has been in the hospital in Banner Thunderbird Medical Center for 20 days now. He has three areas of concern: lungs, feet, and abdomen. The major focus now is his abdomen. A colon leak spread toxins and the doctors are trying to clear up the infections. He is scheduled to have a second surgery on August 3. Prayers are requested.

**SELBY FERRIS:** We are very sad to say that Selby has moved to the Valley and is no longer living in Prescott or teaching at Sacred Heart School. Pam Dickerson reports that Selby is now teaching at Basis in Phoenix. We will share her new contact information when we get it.

**KRIS FOSTER:** In June, she and her husband spent 3 weeks in Colorado, camping near Aspen and Woodland Park, then visiting their daughter in Colorado Springs. They will leave on August 6 for Seattle, where they will visit her sister. From there they will be cruising to Alaska with Richard's cousins from New York and Maryland. In between they have had fun times with their kids and grandkids in Cottonwood.

**DOROTHY EICHBAUM:** Her 7-year-old grandson was here visiting in July from Lake Havasu City and got to march with the exceptional students at the Diamondback's game in Phoenix. She said he was beyond excited! Recently she and Veronica went to see Mama Mia part 2 and enjoyed the wonderful music.

**MARY ELLEN DOTSON:** She and her husband enjoyed a month's trip to Spain and a cruise on the Mediterranean Sea to Italy, Monaco, France and ended in Barcelona, Spain. Ten days after returning home, his mother died at age 102. They flew to Florida for the funeral with their son. That was June and July. In August they went to Pinetop and in September will be going to Flagstaff. She reports they are traveling like crazy while they are still in relatively good health.

**MARILYN JENKINS:** On August 11, she and a friend from Las Fuentes will be going to Vancouver and taking the Rocky Mountain train through Canada for a week ending in Calgary. She is very excited about this trip and we look forward to hearing all about it.

**NORMA BAUER:** Two trips were highlights of this summer's school break for Norma Bauer. In June she and her sister Nancy traveled to the Midwest to see the places where their parents started life. First was Spencer, Iowa where their mother grew up. There were side trips to her birthplace, the tiny town of Ringsted, and Lake Okoboji where her family vacationed. A drive across most of Iowa and a portion of Wisconsin took them to their father's birth town of Neenah, near Lake Winnebago. Although their father was there only a few years, their grandmother lived there until her mid-30's. Because of Nancy's research, they were able to go to the specific neighborhoods in both cities and even find exact addresses of where parents and grandparents had lived. The California trip started with a baby shower for a niece in Orange County. Next was a brief visit with her sister-in-law at Sacramento. A two-day reunion of college roommates took place in Sonoma with the others coming from Davis and Truckee in CA and the fourth from Sequim, WA.

**VERONICA WILSON:** She sang with the Pops Choir and Orchestra at the Yavapai College Performance Hall the end of July and she continues to sing each week at church and do volunteer work

**TASHA CHENEY:** She traveled to Anchorage Alaska this summer for a cruise and also to Las Vegas. We see on her Facebook page that she posted as of July 28 that there were 28 days until her wedding. Congratulations! See her photos below.

**MEMORIAL AND TRIBUTE TO WALLY TURNER**

Eta Chapter lost a good friend and wonderful member this June - Wally Turner. She moved to Arizona a few years ago to be closer to her daughter, Heyde, who lives in Sedona. Wally was an active member of DKG and was serving on the International and State Non-dues Revenue Committees. She had been a former DKG State President for Oklahoma and held offices in our own Eta chapter. She was an integral part of our team that organized the Arizona State Convention this past April in Prescott and she even hosted our May chapter meeting at her home in Sedona. No one knew she was dealing with complications from blood clots and breast cancer.

Two memorials were set up to honor her - one in Sedona in July and another in Oklahoma in August. Several Eta members and DKG State officers attended the Sedona memorial organized by Wally's daughter, Heyde Class, and Wally's sister and family. They had a very nice display of photos and memorabilia from Wally's life at the memorial.

Linda Spellman with help from Sherry Alimi-Kent put together a lovely Explosion Memory Box tribute to Wally that held photos. Linda also wrote and posted a wonderful tribute to Wally on our website: [http://etachapteraz.weebly.com/uploads/1/4/4/3/14436328/memory\\_of\\_wally.pdf](http://etachapteraz.weebly.com/uploads/1/4/4/3/14436328/memory_of_wally.pdf)

**JENDA BALLARD'S CHINO VALLEY SPORTS TEAM RECOGNIZED  
BY SPECIAL OLYMPICS USA AS THE UNIFIED SPORTS TEAM OF THE YEAR**

Congratulations to Eta Chapter's Jenda Ballard who is pictured above at the right with her Unified Sports Team. The photo and following article appeared in the July 2, 2018 issue of the Daily Courier.

*Chino Valley High School's Unified Sports team is a team, which pairs students with and without intellectual disabilities to compete together in Special Olympic competitions.*

*Coach Jenda Ballard states, "In five years, we have established not only a well-rounded program that has changed the climate of our school but one that also reaches out to other schools in Arizona to help them in their efforts to bring the Unified experience to their school and community."*

*Senior partner, David Gehman was chosen as the AIA Champions Unified Partner of the Year. David shares, "Unified Sports has changed my life and has helped me to understand what God wants me to do in my future. The friendships I have made in Unified, will last a lifetime."*

*CVHS Unified Sports team was also chosen as the Unified Sports Team of the Year at the AZCentral Sports Awards in May. At the awards ceremony, Coach Ballard thanked CVHS for including our Unified Sports team in the life of CVHS. In addition, Special Olympics USA recognized CVHS as a National Unified Champion School in June. This program recognizes schools across the country for having Unified Sports programs where students compete together in sports and also promotes whole-school engagement while developing sustainable Youth Leadership.*

*CVHS held several events that contributed to their recognition such events as the Miracle Minute fundraiser that raised over \$1,000 in one minute for our Unified team and the CVHS Yearbook titled, "We Are Unified" to honor the efforts our school makes to promote inclusion.*

*"I am blessed and honored to be part of this team. Our athletes and partners have truly "unified" CVHS," shared Coach Luci Swope. CVHS will receive a banner to go up in their gym this fall to celebrate this national recognition.*
