

Beta Iota News

The Delta Kappa Gamma Society International * Mu State

Dear Beta Iota Sisters,

As this first year of our 2010-2012 biennium comes to an end, I want to thank you for the opportunity to serve you as president and to continue getting to know each of you better. I am looking forward to another year in 2011-2012.

This has been a productive year for Beta Iota, and that is thanks to YOU! Everyone has worked diligently on our committees and has accepted much of the responsibilities for each meeting. That has greatly reduced my work load and stress. thank you, Officers, Committees and Committee Chairman for all your efforts and hard work this year!

May 10th MEETING

Our May 10th meeting will be held at the Jewel Cafe on Jewel Road in Belleair Bluffs. We have had meetings at this location before and have not been disappointed in the food or atmosphere. I hope you will make plans to attend. Our Program Committee has a great program planned and it is always a pleasure visiting with fellow Beta Iota members. The attached registration form contains a lot of information -- please read it carefully, print it, fill., it out and send it to Mary Alice by May 4th.

Mu State Convention, Orlando Airport Marriott, April 29-May 1

The Mu State Convention is coming up soon and will be held prior to our meeting on May 10th. If you are available for this event, please make plans to attend. It provides us with excellent time to catch up on the latest news from Delta Kappa Gamma, and to make many new DKG friends along the way. It is still not too late to register--forms are on the Mu state website. Hope to see you there!

Women on the Way

Once again we have received a nice letter from WOW thanking us for our donations for this special organization. Your contributions help to give these women a better quality of life and they appreciate everything you provide. Please continue to bring your items to our meetings and we will be sure that they are delivered in a timely manner.

I am looking forward to seeing you at our meeting Tuesday, May 10, 2011. Remember, it is YOU who makes a difference in our chapter!

Sincerely

Polly

Great Website !!!

Our Speaker for the March meeting, Joyce Walters, representing the Sierra Club gave us wonderful information on "Going Green." One of the pieces of information was the organization's website:

<http://www.suncoastsierra.org>

You will discover a cornucopia of ideas and suggestions on ways to "explore, enjoy, and protect our planet."

Healthy Ideas for Cleaning House

Water rings on wood or counters: Apply toothpaste or mayonnaise to a damp cloth and rub into the ring. Once ring is gone, buff entire surface.

Stickers on walls or cabinets: Sponge vinegar on several times and wait 15 minutes. Rub off. Also works on price stickers.

Furniture polish: Mix 1/4 cup of vinegar (or lemon juice) with 3/4 cup olive oil. Dab a soft cloth in mix and rub.
