 LEADING WOMEN EDUCATORS IMPACTING  
 EDUCATION WORLDWIDE**

**Happy Fall, Y'all!**

For many, spring is a time of renewal, yet most teachers find that fall is when they begin anew. After a little rest and relaxation called "summer," school begins again with all the excitement of new clothes, back-to-school sales, fresh faces, and new goals.

What are your goals for the upcoming school year? They may be professional, like navigating through the ever-changing teacher evaluation and recertification programs. They may be personal, like building in some daily exercise to build up your stamina. Whatever they may be, your Delta Kappa Gamma sisters can help! They can provide support and encouragement, be a sounding board, or even a shoulder to cry on. You may find what you're looking for on our Psi State and International websites. Don't forget that we can all reach out to each other on our Beta Epsilon and Psi State Facebook pages, via email, or even by picking up the phone.

Make it the best year ever!
