Mission

The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

**GEORGIA GOLD
SETTING THE GOLD STANDARD**

As Psi State President, Gail Ford, mentioned in her online message, "Have you discovered gold?" Think about our chapter as being filled with gold and it's time to start mining! Not only should we be "miners" and find new members to add, but we should take the time to decide how we will keep our gold mine successful in the future! One way is to attend meetings and participate in activities hosted by your chapter! What future activities and programs would you like to see in BE? Share your thoughts at our upcoming meetings, or email ideas to be.psi.dkg@gmail.com with the subject line "Ideas for BE."

Thank you to all our members who participated in the Silent Auction in December! We had great fun and raised \$ for our scholarship fund and other projects!
