

INTERNATIONAL SOCIETY FOR KEY WOMEN EDUCATORS
DELTA KAPPA GAMMA

To: Lambda State Chapter Presidents and Nominations Chairs
From: Lambda State Achievement Award Committee Chair
Date: August 2011
Re: 2012 Lambda State Achievement Award

It is time for you or your chapter to recognize deserving sisters who have made significant contributions to Lambda State by nomination for the Lambda State Achievement Award. Many members are working behind the scenes in unpaid positions and this is an opportunity to recognize those individuals.

An individual or chapter may nominate from their own chapter or another chapter. The criteria, as explained in Standing Rule 1.27 will be followed. The prime consideration for selection shall be the nominee's involvement in the Society at the state level. Further consideration will be given for activities outside the Society which "promote the purposes of the Society". "A nominee shall not be serving Lambda State as an elected officer, committee chair or representative, or employee at the time of nomination. Past presidents of Lambda State should not be considered for this award. A member who has received the award is not eligible for consideration a second time."

Information regarding the Achievement Award is available on the website: www.deltakappagamma.org/IL/. There is an explanation of the award, criteria and procedures, and the nomination form, for the award. The same forms are included in your mailing for those who prefer a hard copy.

Please note that only the winner of the award will be announced at the Membership Luncheon on Saturday, April 21, 2012.

Applications must be POSTMARKED NO LATER THAN- November 15, 2011.

If you have questions please contact:

Diane Kovach (Psi), Achievement Award Committee Chair
34 Orchard Rd, Harrisburg, IL 62946
618-252-8118 or vach4@yahoo.com
