SISTER, MAY I?

Have you ever heard of the game, "Mother, May I?" Well, using May as a play on words, let's think about this. Yes, we are all DKG sisters. But, what does that mean exactly? Think of all the ways you might be able to hear ~ "Yes, you may! Thank you" ~ from one of your sisters!

~~~~~  
May I organize a fundraiser auction to benefit our chapter?

May I serve on a state committee this biennium?

May I send out our chapter news for you this month?

May I send a reminder email to our chapter members about our upcoming meeting?

May I update our forms for the new website?

May I submit an article to the Newscaster about our exciting chapter news?

May I bring refreshments next month?

May I suggest a program idea for next year?

May I host a Book Discussion about the ILSO recommended books next year?

May I plan our chapter's contribution to next year's Art Mart?

May I tell you what a wonderful job you are doing?

**YES, YOU MAY, THANK YOU!**
