## **GRATITUDE AND APPRECIATION**

The month of November brings thoughts of being grateful. We, as DKG ILSO sisters have SO many things to appreciate! Here are just a few thoughts that come to mind! I encourage you to think about this and make yourself a list. SURPRISE...the list may be very long or even an unending list! WE are SO VERY FORTUNATE!

- our DKG sisterhood
- our wonderful leaders
- our understanding families
- our own teachers
- our co-workers
- our fabulous teams
- our modern communication
- our faith
- our essential workers
- our farmers
- our homes
- our livelihood
- our education
- our medical workers
- our health
- our country
- our freedoms
