

# "LINK TO LINK"

DKG ILSO Communications and Marketing Committee

September ~ October 2021

- \* **Wow! What crazy few months we have just finished! I hope to send this "Link to Link" newsletter each month to keep us linked together as we share technology, meetings, programs, etc.**
  - \* **The committee has been busy getting the Zoom Pro accounts set up and the web page designed and ready for viewing and utilizing.**
  - \* **THANK YOU so very much to our committee member, Nancy Hogan. She has done a marvelous job under some very frustrating circumstances!**
  - \* **Thanks also to Joan Rog, Mary Jane Sterling, Bev Johns, Beth Primrose, and to our Zoom representative, Alexandra, from the Philippines for your support, expertise and willingness to help us stay connected in our DKG world.**
  - \* **We now have 13 chapters/sisters who are using the Zoom Pro under the "parent" license. Welcome to the "family"! Now that we have our minimum number of licenses, this offer is open to all of our sisters at any time. Just contact Nancy Hogan.**
  - \* **We are also excited to have some great upcoming Zoom sessions planned. THANK YOU to Bev for continuing the "What's Happening" emails to keep us all informed!**
  - \* **Sisters, if you have ANY plans to share some of your programs with us, please contact Nancy at [dkg.ilsozoom.weebly@gmail.com](mailto:dkg.ilsozoom.weebly@gmail.com) to schedule your meetings no later than 2 weeks in advance in order to get the word out.**
  - \* **Check out the new web page at:  
<https://www.dkgzoomillinois.com>**
  - \* **AND please continue to communicate with your chapter members and DKG ILSO.**
- Thank you!**
