

September 2011

Dear Chapter Music Chair:

Welcome to your 2011-2013 Biennium! As the Music Committee, we are here to support you in creating new musical stories with your chapters! Now is the time to bring out the Delta Kappa Gamma Song for polishing, in case there are members who are in need of a review of the lyrics. Now is the time to look through one of the Songbooks and choose one as your chapter's special theme song as it celebrates this Biennium! Now is the time to go on line to the Lambda State Web site and take a look at the Music Page. Then you can click on and look through all of the music that is available for your chapter to borrow from us. Fill out one of the Lending Library forms, send it in, and VOILA! You can have that music for your Chapter's use for only the cost of postage! What could be easier?

At our State Convention in April, we are going to include all kinds of music played and sung by all kinds of musicians from around Lambda State. In the *Winter Newscaster*, there will be a form for signing up to sing in the Chorus and/or play in the Chamber Orchestra. You do not have to be a professional or music teacher to sing or play at our convention. All you need is the commitment and determination to make this an excellent chorus and/or chamber orchestra. Join us in these two adventures. We even provide CD's for you to learn your chorus part before you come to the Convention.

Please let your Chapter members know that they should consider joining these groups at this extraordinary Convention! You should contact Lambda State Music Committee members to let us know about people who may have special talents of which we are not aware. We want to include as many members as possible in this celebration! If you have any questions about music in Lambda State, do contact a member of the State Music Committee, and let's make musical memories this Biennium!

Yours in musical sisterhood,
Susan Kaye, Music Committee Chairman
