

August 10, 2009

Welcome back, Epsilon Sisters!

I hope you enjoyed your summer, and I wish you luck on a prosperous 2009-2010 academic year.

As we previously planned, our first meeting of the school year will be held: Saturday, August 29th at ACTC's Roberts Drive Campus Cafeteria.

Registration begins at 9am, and the business session will begin promptly at 9:30am.

Reports from the Finance Committee (proposed budget), Audit Committee (08-09 audit report), and Service and Personal Growth Committee (Operation Backpack and upcoming projects) will be presented.

Lynda Cannon and the Communications Committee will head up the program by enlightening us about our chapter webpage, and the state and international webpages, as well.

Dr. Barbara Walters-Morris and the Ritual Committee will also be initiating new members, Traci Nolen and Kim Sparks.

In addition, please be prepared to pay your \$62 annual dues at this time.

I look forward to seeing you on August 29th, and request that reservation forms (see attachment), including a \$10 lunch fee, are returned to me (2645 Bonanza Drive, Catlettsburg, KY 41129), no later than August 22nd.

I have also attached the official “Recommendation for Membership” form, and encourage you to use this form to nominate one of your colleagues for membership.

Have a wonderful start to the school year, and I will see you on the 29th .

Sincerely and Smiles,

Mary Cat

Dr. Mary Cat Flath

Anatomy and Physiology Professor

Ashland Community and Technical College

1400 College Drive

Ashland, KY 41101
