## *Dear Sisters,*

How many of you have started to rid the Body and Soul of clutter? Our speaker Judy Christie presented us with many helpful ways to remove the stress in our everyday lives. I hope all of you enjoyed her as much as I did. Thanks Kathye for securing us this great program.

The new slate of officers for the next biennium will be getting ready soon to plan for next year's programs. We are really fortunate to have such willingness among our membership to serve and make our organization stronger. That is not always the case in many of the Chapters across the State. Thanks to each of you for stepping up and working to make us a stronger and more active group.

We had six names presented for membership and a letter of invitation has been sent to them and I hope that each one will consider becoming a member of Alpha Rho's Chapter. These are worthy educators that will bring many strengths to our Chapter. Thanks to each of you who recognized these women and nominated them for membership.

The State Convention is here and we have been very busy planning and making favors and

table decorations for the event. Kathye and Martha have been working and planning very hard for this event and I appreciate all the time and energy that they have put into this effort. It is very important that we step up and do our part since we are hostess to this Convention. Thanks to each of you that have helped and I hope that more of you will be available during the weekend of March 19 - 21. Come to our April meeting and met the new members of our Chapter. This will be held at the First Baptist Church in Bossier in the hospitality area of the Church. We will have a new member orientation and at this time we will renew our commitment to the Society. Debney Biggs will be our guest speaker. She is the Director of the Northwest District.
