A Brief History Lesson

Now that you are a member of The Delta Kappa Society International, you will want to know more about this honor Society.

Founded on May 1, 1929, by twelve women educators in Austin, Texas, Delta Kappa Gamma was envisioned by Dr. Annie Webb Blanton, the first woman elected to public office in the state of Texas. Dr. Blanton was a successful candidate for Superintendent of Public Instruction in 1918, after having served as the first woman president of the Texas State Teachers Association. After serving two terms as State Superintendent she did not seek a third term. Instead, in 1922, she was a candidate for the United States Congress. Although she was not elected, she helped to break the gender barriers for women who followed her.

The original purposes of the Society emphasized: gender equity, school legislation, excellence in education, good teaching conditions, networking, and financial help for women preparing to teach. These purposes have formed the basis of our current Seven Purposes.

Each year chapters observe Founders Day, not only to honor the original twelve women, but as a reminder that current activism must keep pace with that of the Founders on issues educators face today.

An active Program of Work at the chapter, state, and international levels keeps members informed of current cutting-edge educational issues and promotes projects that help educators, education, and students both locally and globally.

Through the years Delta Kappa Gamma members have made a significant impact on education. The history of the Society is contained in three volumes: *Our Heritage in The Delta Kappa Gamma Society*, Volumes I, II, and III.

New history is being written every day. As a member you are a valued part of the Delta Kappa Gamma heritage.

Welcome to this Society of Key Women Educators!

Meet Our Founders

DR. ANNIE WEBB BLANTON: whose dream, drive, and genius for organizing brought Delta Kappa Gamma into being. Dignified in appearance, small and feminine, she possessed a warmth and nobility which endeared her to her students and to her peers.

MISS MAMIE SUE BASTIAN: a fun-loving founder who always expressed her views in her own unique way. Dr. Blanton counted upon Mamie Sue's warm, outgoing personality, her sense of humor, and her ability to make friends to help organize chapters. Mamie Sue developed a spirit of friendship and cooperation in the Society and inspired loyalty to its purposes.

MISS RUBY COLE: who had the distinction of organizing Beta Chapter in her home city, San Antonio, less than two months after the society had been founded.

MISS MABEL GRIZZARD: who was known for her community work as well as for her excellence as an educator. Her former students rated her as an outstanding teacher who was understanding and helpful.

DR. ANNA HISS: who is described as being tall, graceful, charming, cultured, and friendly. She was a creative and effective administrator with great precision in organization. These many talents made her a beloved and long remembered Head of the Physical Education Department at the University of Texas.

MISS RAY KING: who served as the first treasurer of the Delta Kappa gamma Society. She was active in the educational, cultural and social life of her community, and enjoyed playing bridge with her many friends.

MISS SUE KING: an excellent scholar and leader. Her students remember her as the teacher who made history come alive for them. Few society members had the privilege of knowing her, since death cut short the career of this brilliant woman less than a year after the Society was organized.

DR. HELEN KOCH: renowned professor at the University of Chicago for many years. This farsighted educator saw the Society as an organization whose future capabilities could dissipate any condition which might seriously threaten the welfare of children. She knew the society could advance the cause of education and constructive international relations throughout the world.

MRS RUBY TERRILL LOMAX: who served the University of Texas as Dean of Women and as Associate Professor of Classical Languages. She held many leadership roles in her church and in civic and social organizations. Her University students named her “Deanie”. . . a fact which indicates that her human characteristics were appreciated as much as her intellect.

DR. CORA M. MARTIN: a petite, very fashionable lady who added color and fun to any gathering. She has been described as being the best first grade teacher ever. She brought out the best in every child.

MRS. LALLA M. ODOM: one of the early advocates of women’s rights. Her determined stand against discrimination brought about the reversal of the ruling against married teachers in her city. She expressed herself well, frequently taking issue with any attempt to downgrade teachers and education.

MISS LELA LEE WILLIAMS: who welcomed differences of opinion, honored each person’s viewpoint and took time to analyze a speaker’s remarks. During her 45 years with Dallas Schools, she constantly searched for new techniques and innovations to improve teaching.

Delta Kappa Gamma Songs

The Delta Kappa Gamma Song

Women teachers, to the calling
Firmly rally, never falling,
Duty ne'er upon us palling,
Staunch, courageous, we!
Loyalty and trust e'er heeding,
Mindful of our sisters needing
Aid and guidance from those leading,
Helpful may we be!

To Delta Kappa Gamma
Faith we pledge forever!
Hand in hand, our loyal band,
Forward moving ever!
Onward! 'Tis our sisters need us,
Courage, Faith, and Honour lead us!
Wrongs in truth and justice heed us!
Firmly shall we stand!

Guardians of the faith yet sleeping
For our sisters watch e'er keeping,
Deeds of others now we're reaping,
We for others stand!
To us pioneers have given:
We return their gifts to heaven;
Work for others is the leaven
That inspires our band!

Oh Delta Kappa Gamma
In thy fold we gather;
Unity and Liberty
Shall be our watchwords ever!
Education e'er we'll further;
Each is bound to each as brother
With this faith in one another
We shall win, for Aye!

Lead On

(Tune - Bye, Bye, Blackbird)

Lyrics by Janice Moen

Search for knowledge, truth to find.
Teach and learn. Stretch your mind.

Lead with wisdom

Choose the things you'd love to know.
Teach them well. Don't let go.

Lead with wisdom.

Delta Kappa Gamma into action,
Leads the way with wisdom,
Leads with passion.

Educators use each chance,
Lead us to significance,
Sisters, lead on!

Sisterhood

(Tune - Five Foot Two)

Lyrics by Janice Moen

Sisterhood, sisterhood,
This is something very good.
It's Delta Kappa Gamma's style.

Take a stand, lend a hand,
Listen and then understand.
It's Delta Kappa Gamma's style.

Now if a sister needs a helping hand,
We will be there.
Dry the tear, lend an ear,
Get her feeling good again.

Sisterhood, sisterhood,
This is something very good.
It's Delta Kappa Gamma's style.

You'd better believe it,
It's Delta Kappa Gamma's style.

Stand Right Up

Tune - Take Me Out to the Ball Game

Lyrics by Janice Moen

Stand right up and do stretches.
Stand and reach for the sky.
Shake out your arms and your legs as well.
With exercise you'll be feeling just well.

Don't forget your neck in the process.
Just make a circle or two.
Then we'll all-
Try-
Touching our toes,
And sit down renewed.

Ain't We Sweet

(Tune: Ain't She Sweet)

Lyrics Unknown

Ain't (clap) we (clap) sweet (clap, clap)?
See us coming down the street (clap, clap).
We're Delta Kappa Gamma Women
Ain't (clap) we (clap) sweet (clap, clap)?

Ain't (snap) we (snap) nice (snap, snap)?
Look us over once or twice (snap, snap).
We're Delta Kappa Gamma Women
Ain't (snap) we (snap) nice (snap, snap)?

Just cast an eye...in our direction.
Oh, me, oh, my...ain't we perfection?

We (stomp) re (stomp) peat (stomp, stomp).
Don't you think we're kind of neat (stomp, stomp)?
We're Delta Kappa Gamma Women
Ain't (stomp) we (stomp) sweet (stomp, stomp)?

We're Leading on

Tune - Londonderry Air

Lyrics by Janice Moen

We're leading on with wisdom and with passion.
Key women educators all are we.
Respecting, nurturing and celebrating,
Ideas and people of diversity.

We have a shared vision and a mission.
And Seven Purposes "Twill be our key.
We're leading on with wisdom and with passion,
The Delta Kappa Gamma Society.

Hello, Founders!

(Tune: Hello, Dolly!)

Lyrics Unknown

Hello, Founders... Well, hello, Founders!
You have helped to make us what we are today.
We think of you, Founders...all of you, Founders,
In a special, very special rev-er-en-tial way!

We looked to you, Founders, who were true Founders,
And we know that it was you who led the way...ay.
Golly gee, Founders...It is so plain to see, Founders
You made us what we are...you made us what we are,
You made us what we are to-day!

The Seven Purposes of Delta Kappa Gamma

(Tune: Mickey Mouse Song)

Now's the time to en-er-gize our Seven Pur- po-ses!
UHA-IES-I completes them all.
Striving now together our objectives we achieve.
UHA-IES-I completes them all.
UNITE AND HONOR (Unite and Honor)
ADVANCE, INITIATE (Advance, Initiate)
ENDOW, STIMULATE AND INFORM! (Rah, rah, rah!)
Sing it, shout it, savor it and act with energy!
UHA-IES-I completes them all!

History of Alpha Iota State- Michigan

The National Delta Kappa Gamma Society was nine years old when Dr. Annie Webb Blanton, the National Founder, made the long trip by train from Austin, Texas, to Lansing, Michigan, to officiate at the ceremonies, which would initiate the Michigan Founders and install the first two chapters of the state. The Hotel Olds was the site where, on Saturday, May 28, 1938, fifteen of the nineteen women* from Michigan colleges and universities who had accepted the invitation of Dr. Blanton to be Founders were initiated along with those they brought with them. Each city was allowed to choose key women teachers from its area for the initiation, with a minimum of twelve members needed to form a chapter.

Effie Downer, first Alpha Iota State President remembered:

Alpha and Beta Chapters were organized on the same day that Michigan was founded. As soon as we were initiated and had elected state officers, Annie Webb Blanton asked all the Detroit people to go to one side of the room. Those from Ypsilanti and Ann Arbor also met and because these two groups had twelve members or more, they were installed as Chapters Alpha and Beta. Several other cities lacked only a few of the required number. The other towns represented aroused much interest, and Gamma Chapter was installed early in 1939. Dr. Blanton was present and supervised the whole thing. We were all so green she had to direct each move.

State Officers were elected and installed. Miss Effie Downer became the first State President. The two chapters also selected their officers with Maude E. Fiero of Detroit as the president of Alpha Chapter and Marion F. Stowe of Ypsilanti as president of Beta Chapter.
