There are so many ideas from chapter newsletters; here is one by permission.

From ***The Key Update*** (Beta Eta Chapter):

The president of DKG International has a blog to write about her job as it relates to the activities of the society. In her recent May posting, she talks about her travels to state conventions, but her March blog hits closer to home with her reflection on the differences we make as educators. In these rough economic times, it is good to sit and think of the positives, and she encourages us to let our voices be heard about the positive effects on lives that teachers have. Check out Dr. Jensi Sounders' blog at <http://dkg--jensisjots.blogspot.com/>

Is building a chapter website very hard? This summer Beth Winstead is going to provide me with advice on how to build a website for Chi Chapter. If Sylvia Eaglin can do this, anyone can. Future issues of *Eta Data* will have descriptions of the process. Feel free to add instructions.

The Eta State (NC) Communications Committee members have been outstanding during this past biennium and deserve far more recognition than I can bestow. Thank you, Wanda Love and Missey Weaver.

Beth Winstead continuously up-dates our website, in order to provide a more efficient means for every one of us to do our jobs.

Carroll Harrell's service as the editor of *Eta State NEWS* is without parallel. Her grace and consummate abilities have made a really challenging responsibility appear effortless.

Sylvia Eaglin, Chairman 2009 - 2013

Note: The next issue of *Eta Data* will be Delayed a few days, in order to report on the news from the Southeast Regional Conference. Look for it.
