

## Making a Donation

Donations offer individuals and chapters an opportunity to support the work of Eta State through contributions.

Donations may be made to the Pauline Longest Leadership Fund, the Eta State Scholarship Fund and the Headquarters Fund. Should you choose to give an undesignated donation, it will be used where there is the greatest need.

Donations of \$25 and greater will be acknowledged by a card sent to the person or chapter that you designate. Contributions will be published in the Eta State News and recorded in an Honor Book to be located at Eta State Headquarters building in Asheboro.

## What is Planned Giving?

A planned gift is a contribution given with forethought. It may take the form of an outright gift or a bequest through your will or other estate planning.

Planned Gifts provide the necessary financial resources that impact the future work of Eta State. Leaving a legacy to generations of key women educators is a rewarding and noble act.

For more information about Gift Giving, please contact a member of the Eta State Planned Giving Committee.

*The Planned Giving Committee recognizes that Delta Kappa Gamma has touched the lives of many people in very special ways. Each of us shares a vision for the continued work of Eta State and the Society. Planned gifts provide the necessary financial resources to make those dreams come true.*

The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

## Eta State Planned Giving

### **Pauline Longest Leadership Fund**

The Leadership Fund provides support for key women educators seeking personal and professional development experiences enhancing leadership in Delta Kappa Gamma and in the field of education. This fund is intended to extend leadership opportunities beyond those that are funded by Eta State. The Leadership Fund is relying on contributions to reach a minimum balance of \$50,000. Earnings generated by this amount can then be used to fund leadership experiences.

### **Eta State Scholarship Fund**

The Scholarship Fund is an invested fund which accumulates chiefly by contributions. This fund supports three Eta State Academic Scholarships—the Gilbert-McNairy Scholarship, the Emmons-Flintom Scholarship and the Hunter-Moore Scholarship. Members enrolled and seeking degrees in doctoral or sixth year graduate study may apply.

### **Eta State Headquarters Fund**

The Headquarters Fund supports the operation and maintenance of the headquarters building and grounds in Asheboro, NC. This site provides storage for Eta State records and serves as a central office for the executive secretary and treasurer. It is a meeting place for Executive Board, workshops, committees, chapters and other Society activities.
