President's Message

Ana Kitts

Summer Happenings

Amy Stiles and her committee have worked with Nancy Rix to complete the Financial review for our chapter.

The Executive Board met to discuss some plans for the upcoming year. We also drafted a budget that will be presented to you in September.

New National bylaws will replace the constitution. OHSO will help the chapters update our rules following national bylaws and GAPP (Guidelines for the administration of policies and procedures).

The Educational Excellence committee worked diligently to plan the 26-27 programs and venues.

Mindy worked her magic in producing the draft of our new program book.

Carol and I are excited to work with all of you this year as we FOCUS on fun, professional development, personal development, and supporting current and future educators!

Prayer Requests

There were a number of our members in need of our thoughts and prayers at our May meeting. I'm sure more were added during the summer.

Connie Bost was at Sion Hospital as a result of several falls.

Diane Page's mother, Norma Hoberty, was at Wooded Glen awaiting several test results..

Susan Hillman had a knee replaced this summer and will have the other knee replaced in October. She is recovering from her 1st surgery well and is faithfully doing her exercises.

Mary Ann Jung had hand surgery in May.
