“We’re Tooting our Horn for FFF”

The World Fellowship Committee plans something special for the February 6, 2010 meeting. I don't know what it is, but it sounds like fun!

Here's what they need from all of us:

1. How many times can you find “FFF” in this newsletter?
2. **Count the number of times you see “FFF” and bring the number to the October 8th meeting.**
3. Bring extra cloth grocery bags to the Oct. and Nov. mtgs.

Mission Statement: The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

Total Dues \$75.00

Thank you so much to our finance committee for meeting this summer and preparing the budget.

Carolyn Rayborn, Carol Adams, Diane Ray, and Paula Lockhart, thank you!

We appreciate your careful attention to details, including postage and projects.

LAMBDA MEMBERS ACTIVE AT NORTHWEST REGIONAL CONFERENCE

Meribeth and Karen Olsen provided a riveting session detailing their travels to Cambodia and Viet Nam. They also attended excellent workshops and have already made plans to attend next year's International Convention in Spokane.

Carolyn Rayborn sang with the Northwest Regional Choir and also with the Northwest Ensemble. At our luncheon, the Ensemble received a standing ovation for their singing of the Delta Kappa Gamma purposes in canon form.

Yvonne Fasold participated with a panel of Golden Gift recipients, shared IRLLEN, the use of color in reading, and presented a session using the CD of her Mayan study trip.

Carolyn and Yvonne also enjoyed greeting members from throughout the Northwest as they worked at the registration table.

MAKE PLANS NOW to attend the International Convention in Spokane, July 20-25, 2010. It is a real treat to

have it so close!

Teaching Tip

TTT

Take the teaching moments. The children will ask about a word. Even at the K level, start talking to them about "combinations" and rules such as "ci, ce, and cy make 'c' say 's'." Do not wait for the curriculum to "teach" it. The kids will pick it up if they are exposed to it. I have great readers and writers in K because I do not hold back in that teaching moment.
