Routing – \*Chapter Designee  emails or mails this form to the State Educational Excellence Chairman. **This is done after the chapter officers meet to fill out the Biennial Reports** which are required every 2 years. During each 2 year term, the chapter designee encourages individual members to keep track on their own form. (VOLUNTEER HOURS REPORT form) These forms are then turned in and used to compile the chapter report that is sent to the state which, in turn, is reported to International.
