MEMBERSHIP

Selection is based on professional qualifications, leadership potential and personal qualities.

To be eligible a woman must:

Have three or more years in educational work and employment in the profession at time of consideration.

Membership is extended by invitation only through a local chapter. Once initiated, members have membership in the chapter, state organization, and the International Society.

KEY MESSAGES

- The Society offers educationally sound, relevant programs that enhance individuals' professionalism and the quality of community life.
- The Society recognizes and celebrates achievements of women educators.
- The Society offers opportunities to enhance leadership development at local, regional, and international levels.
- The Society funds support of members seeking educational advancement and diverse learning opportunities.
- The Society is a recognized advocate for educational excellence as reflected through its projects and activities.
- The Society presents innovative professional development opportunities for all educators.
- The Society gives financial support to outstanding educational/community projects and to women students outside the United States and Canada pursuing professional careers.
- The Society supports international networking across all fields and levels of education.
- The Society provides members fellowship, friendship, and support.
- The Society members mentor women educators, providing mutual support and interaction in all educational fields and at all levels.
