LITERACY PROJECTS UPDATE - 2007-2008

Project One: Adopt-A-Classroom at Washington High School - FACS Department. Dr. Sandra Schlenker was able to purchase two WOKS and some other supplies with the money that Mu Chapter gave her this school year. FACS students sent Mu Chapter a very nice thank-you card which was read at the April meeting.

Projects Two and Three: Donations of elementary reading level books were given to both the Banquet and Children's Inn.

Project Four: At our February meeting, South Dakota Achieve was given a tote filled with books, games, and supplies. These items were greatly appreciated and will be used by Achieve's clients.
