Alpha Beta Chapter of DKG began the new year with message from president Wanda Lawson.

Annett Gregory provided DKG with inspirational music

President's Message

Sisters,

I can't believe how fast the month of September has flown by. I hope your month has been as productive as mine.

"Thank you" again to Sandy Schultz for arranging for our September program. Those of us present enjoyed hearing the music program presented by Mary Claire. Character education took on a new meaning when it was presented with music.

A special thank you to Annette Gregory for her musical selection, she was wonderful to fill in at the last minute. I know all present thoroughly enjoyed her playing.

Looking forward to seeing you on Saturday, 10:00AM CDST at St. Andrews, Sewanee.

Wanda

It's time to pay 2011-2012 dues. The dues are still \$69. All dues must be paid by October 2011. If you do not plan to attend the October meeting, please mail your dues to -Patti Harris, P.O. Box 66, Altamont, TN 37301. If dues are not paid by October, DKG will drop your membership.

DKG sister enjoy fellowship before meetings and along with good food.

Mary Clair Hill, guidance counselor from Richard City Special School District in South Pittsburg, TN, presented an interactive program of music and character education. Sisters sang, moved to the music, and played musical instruments.

Linda Peters and Claudette Stewart rock to the music. Other sisters join in the merriment while moving to the music.

Reminders

*Be thinking about committees. Some members have moved, some members have become inactive, some members have asked to change committees. Think about which committee you will serve on.

*Anyone willing to be an officer please contact the nomination committee.

* Attached as a PDF is a form for new member nominations.
