

President's Message!

Wow! There are no words to describe the times we are living in! I hope and pray that this is a once in a lifetime event that our children are telling their grandchildren about. I also pray that the end comes as swiftly and abruptly as the beginning of this pandemic did. I think that we all have been blessed to learn more about what really matters to us and our families. And I truly think our jobs as educators will change, for the better, after we get back to school.

After talking with a few members and officers and hearing that they have the same thoughts that I do about our Alpha Gamma meetings, I regret to say that we will be cancelling our May Founder's Day meeting. I just don't feel comfortable meeting in a large group yet. I know we are all ready for things to get back to normal but I just don't

think it is worth risking our health to do that right now. We will be having an Executive Board meeting on May 13th at 3pm. The officers involved will be getting more information closer to the meeting date. After the Executive Board meeting we will send out the notes to you all. If you have any ideas or suggestions for the coming years, please let an officer know so that they can bring it up at our Executive Board meeting.

It's dues time and Teresa is ready to collect. Please send your \$65 to her at 215 Fox Run Lane, Lafayette. If you want to work out an electronic payment, feel free to reach out to me. My cell phone is the best way to contact me, 615-633-2248. Please get your dues taken care of by May 31st.

STAY SAFE!

Andrea

*Sending cards to our members is
a great way to stay in touch
while being apart. Especially
remember those that are alone
and confined to their homes
during this time.*
