

President's Message!

October flew by! I am excited to see everyone for our November Alpha Gamma meeting TOMORROW!!! We will have several things to address including our theme for the Daddy/Daughter Dance. I am loving this fall weather we have been having and look forward to many snow days this winter but I hope we do not have one tomorrow!

As the year winds down with tomorrow being our last organized meeting of 2019, I want to encourage you all to apply for a grant or scholarship! I have been fortunate to receive both. I know we are all so busy but these are not lengthy applications that could really pay off for you and your students. If you have any questions, please reach out to me at any time!

Sorry for the simple format on this month's newsletter. I had to work with what I had at home and could get everything to work.
