Founders' Day 2015

President's Message

Oh my goodness, where did the summer go and has one month of school already passed? It doesn't seem possible that our first meeting is just a week away. Eddy and I have just returned from a two week trip that we traveled about 2500 miles in a car and about the same on the ocean. It was a great and very hot trip to places we had never been. My part of the newsletter just did not get marked off my list before I left. I even took it with me but just finished it up today. So I hope to see you on September 8th at 3:45 at Lafayette Missionary Baptist Church. We had planned on having Nancy Doss as our program that day to talk about the Arts Council and programs that are available to the schools, but she is unable to be with us because of a trip to visit family out of town. She does want to come and meet with us at another time. We will have plenty to do that day: the year in review, updates from the rules and budget committees, new teacher reception, and many other fun activities.

If you wish you may pay your dues in September. Teresa will need them by the end of October and if you want to pay half this month and half next month, I know she will work with you about that.

Our trip to Sewanee in June was a success. Linda McCrary, Audrey Howser and I attended the conference. Cynthia Hudson was honored with the Order of the Rose Award and Scarlet Hudson and Melanie Tuck attended the ceremony with her. She is a very deserving person for this honor. Our gift cards were a hit and were very easy to transport.

Cynthia Hudson receives "Order of the Rose" at the Xi State Convention in June.

Linda McCrary was honored with other southeast regional leaders in Savannah.

In July, Linda McCrary, GeorgiaAnn Boles, and I attended the Southeast Regional meeting in Savannah. Linda was part of one morning's program. (GeorgiaAnn and I just hung out.) Savannah is a beautiful city and the conference was held in a beautiful hotel. We will share some of the highlights at the September meeting.

I hope some of you have volunteered to serve on a state committee. The training meeting is September 26. We can plan to go together and see who will need to go the night before.

I hope to see you all next Tuesday.
