November, 2010

### PRESIDENT'S MESSAGE

November is here and so are the cooler temperatures. Halloween has come and gone and we are now looking toward Thanksgiving.

When I hear the word Thanksgiving my mind automatically begins to take the time to reflect on the many blessings I receive each day. Whether those blessings include the children in the classroom in which I am subbing or something truly wonderful to eat (pecan pie), I know God is blessing me. We all have so much in our lives for which to be thankful.

As we enter this holiday season, take this special time to reflect on the many wonderful things around you every day.

### November Meeting

Gamma Alpha's November meeting will be held on November 18, 2010 at the McKenzie High School Library beginning at 7pm. Hostesses for the meeting will be Ladona Herron, Denise Sam and Teresa Cloar.

Our program speaker will be Donna Mask with Newborns in Need. At the October meeting the membership decided that individual members might like to bring a donation to the November meeting for this charity. Items that might be donated are the following: newborn sleepers, baby blankets, baby yarn (at least one skein), fabric suitable to make baby quilts (at least one yard), white thread (Coats and Clarks, dual duty preferred), bags of polyester fiberfil, king sized quilt batting (6 baby quilts can be made from one this large) and of course, a monetary donation would also be appreciated. The choice to make a donation is yours.

## Schools of Africa Project

DKG International has partnered with the U.S. Fund for UNICEF Schools of Africa project. State President Rives is presenting a DVD and one pamphlet concerning this International project as she visits chapters this year. More information is forthcoming.

## Scholarships

Scholarships are available for those members wishing to continue their education. Let me know if you are interested.
