Scholarships: Gretta Fisk, Lorraine Doshier, and Eula McKown suggested that a certain length of membership be required to qualify for Zeta scholarships. It was suggested that a scholarship application form be placed in the Zeta Newsletter. Grants-in-aids: It was suggested that application forms be placed in the high schools. Technology: Eula McKown reported that we don't need new software to change our web site, but only give the webmaster a password to enter it and make changes. Legislative: It was

reported by Jan Hungate that no new bills are before the legislature because of the economic situation.
