We'll continue to have a donation basket available for those wishing to continue to contribute, as we'll need \$200 for the next two years.

Projects Committee Chairman, Corrie Logan, introduced the Friends of the Library spokesman, Kim Salome, who told us about Friends of the Library project possibilities.

Research and Membership Chairman, Linda Ewing, collected member profiles

Legislation Chairman, Lilian Rathman, gave statistics and a thorough report on items that drive the state board of education and governor regarding legislation on public school funding issues, including teacher retirement.
